

NEW TRANSPARENT CHIN GUARD FOR AS1200HAT

ONLY FROM **SALISBURY** by Honeywell

Dramatically Increase Worker Visibility & Safety with the NEW AS12CLR.

SALISBURY BY HONEYWELL EXCLUSIVE:

Salisbury by Honeywell's NEW AS12CLR Clear Chin Guard dramatically increases the user's peripheral view by increasing visibility on the sides of the faceshield unit. This new product also assists electrical workers in applications where greater visibility looking downward is necessary. The enhanced viewing area increases worker performance and productivity. The highly transparent chin guard allows improved awareness and greater safety.

The AS12CLR is specially designed to work exclusively with the Salisbury by Honeywell AS1200HAT 12cal/cm² Arc Flash Protective Faceshield Unit.
